

## Accessing Your Player's Account

These are general instructions on how to access your player's account and view your CAHC invoice. These instructions may not account for every little nuance with our billing system, so please contact [bookkeeper@casperhockey.com](mailto:bookkeeper@casperhockey.com) with questions regarding your specific account if it is not clear from these instructions.

1. Go to [www.casperhockey.com](http://www.casperhockey.com) and scroll down until you see a little hockey stick icon with "Access your player's account here" on the right hand side of the page. Click on the link.

This coming Wed! Come out to Pizza Ranch and support your Casper Oilers Midget team!

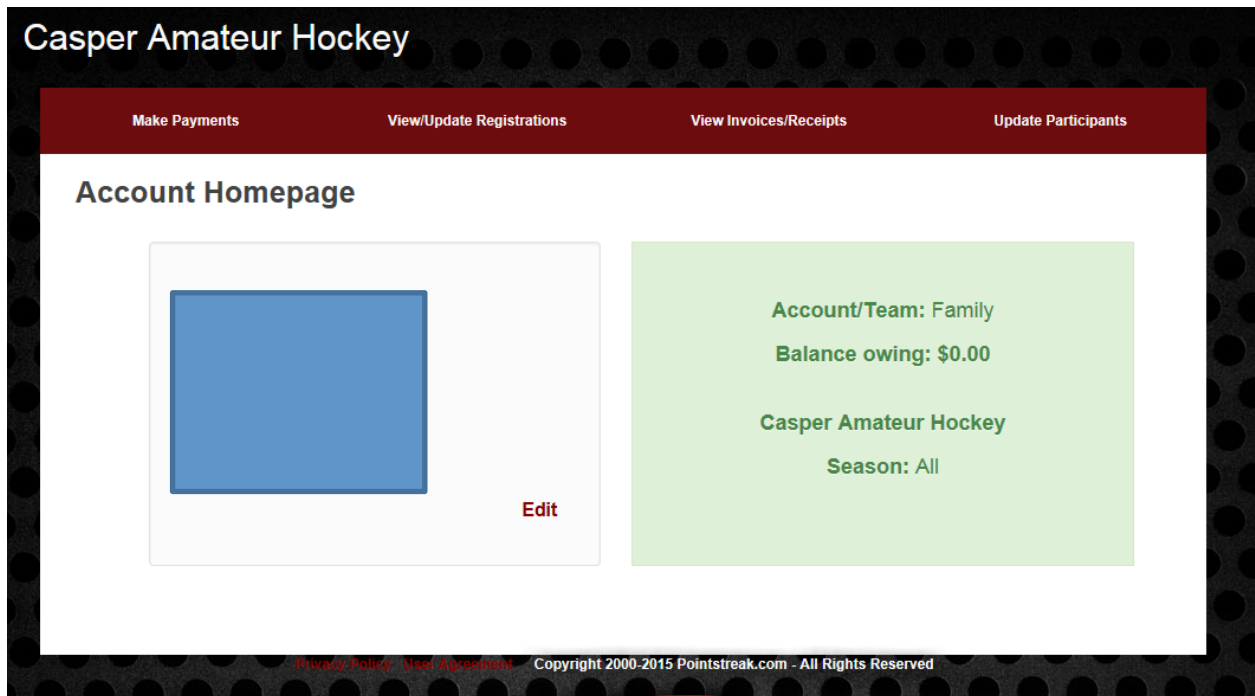

- The link above will take you to the login screen for your Pointstreak account. Input your email address and password (you would have set this up when you registered your skater).

The image shows two side-by-side forms. The left form is titled "Account Login" and contains fields for "Email" and "Password". Below the password field is a link that says "Forgot My Password?". A red "Login" button is positioned below the fields. Underneath the login button, it says "Login With" followed by icons for Facebook, Google+, and Twitter. The right form is titled "First Time Registrant?" and "New to Pointstreak Registration". It features a single red "Create Account" button.

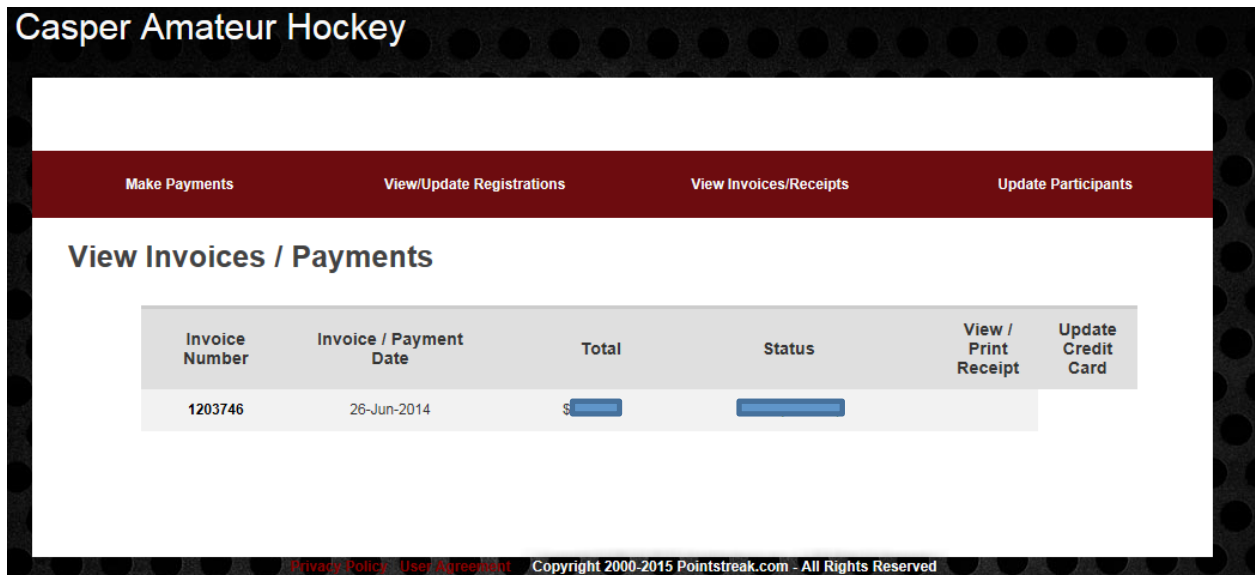

- After you log in you should see your "Account Homepage" which should tell you if you have a balance due. If you have a balance due, click on "Make Payments" and follow the instructions to make a credit card payment. If you'd prefer to send a check, please make it payable to CAHC and send to P.O. Box 2562, Casper, 82602.

- To view the details of your account, click on the "View Invoices/Receipts" menu item.

- In the "View Invoices/Payments" screen, click on the invoice number.

6. Once you click on the invoice number, your actual invoice with all adjustments will be displayed. Adjustments for any credits are reflected under each participant's name. Adjustments for all additional WAHL and Travel assessments are also detailed in this section. The fee displayed is your original registration fee, less credits applied, plus additional assessments. It is probably a bit confusing, but this is how the system works.
