### Booster Club for International Travel opportunities

Our Club often participates in a Regional Qualifying Silver Stick tournament in November. Champions at this tournament then advance to the International Silver Stick Finals held in Michigan or Ontario, Canada, depending on their division level. This is a dream come true for young hockey players, and CAHC has been very fortunate to have several teams attend the International Silver Stick Finals in the past. Most recently, our 2012-2013 Casper Oilers PeeWee Team and 2013-2014 Midget A Team attended the Finals in Pelham, Ontario and both teams brought home first place. Please consider allowing us to approach you for Booster Club sponsorship if one of our CAHC hockey teams advances to the International Silver Sticks Finals. Any contribution is appreciated and in return for your contribution you will receive a team picture plaque, a signed letter from the team players, and recognition on the CAHC website sponsor page ([www.casperhockey.com](http://www.casperhockey.com)). It truly is a once in a lifetime opportunity!

- Yes, please approach me regarding Booster Club sponsorship when a CAHC Regional Silver Stick Champion team is representing Casper at the International Silver Stick Finals.
